# Cecile L. Phan, M.D.

- **Assistant Professor of Neurology**

## Clinical Service Area

Neurology

## Specialty

Neuromuscular Diseases
EMG and Nerve Conduction Studies
ALS
Muscular Dystrophy
General Neurology

## Board Certification

American Board of Psychiatry and Neurology, Neurology
Fellow of Royal College of Physicians and Surgeons (Canada)

## Clinic Appointments

713-798-7411

## Consult

713-798-7411

## Medical School

M.D., University of Alberta Faculty of Medicine and Dentistry, Edmonton, AB

## Residency

Neurology, University of Alberta Faculty of Medicine and Dentistry, Edmonton, AB

## Clinical Fellowship

Neuromuscular Diseases and EMG, Baylor College of Medicine, Houston, Texas

## Clinic Location

Baylor Neurology
Smith Tower
6550 Fannin, Suite 1801
Houston, Texas 77030

## Clinical Interests

All areas of neuromuscular diseases: myasthenia gravis, inflammatory myopathies, ALS and other motor neuron diseases, peripheral neuropathies, muscular dystrophies, autonomic disorders

## Research Interests

Plasma exchange in myasthenia gravis, exercise induced rhabdomyolysis, inflammatory myopathies

therapies

## Contact Information

Cecile L. Phan, M.D.
Department of Neurology
Baylor College of Medicine
One Baylor Plaza, MS NB302
Houston, Texas 77030

Tel: 713-798-7411
Fax: 713-798-8573
Email: clphan@bcm.edu
