The Houston Area Lactation Consultant Educators Association (HALCEA) Mission Statement

Our mission is to enhance the image and practice of lactation consultants and educators in the Houston area through continuing education and support for professional growth. We will strive to increase awareness of the life-long benefits of human milk. We also support the goals and purposes of the International Lactation Consultant Association ILCA.

Continuing Education Information

The Woman's Hospital of Texas is an approved provider of continuing nursing education by the Texas Nurses Association, an accredited approver by the American Nurses Credentialing Center's Commission on Accreditation. This activity meets Type 1 criteria for mandatory continuing education requirements toward re-licensure as established by the Board of Nurse Examiners for the State of Texas. Day 1 of this conference provides 8.0 contact hours. Day 2 of this conference provides 8.3 contact hours.

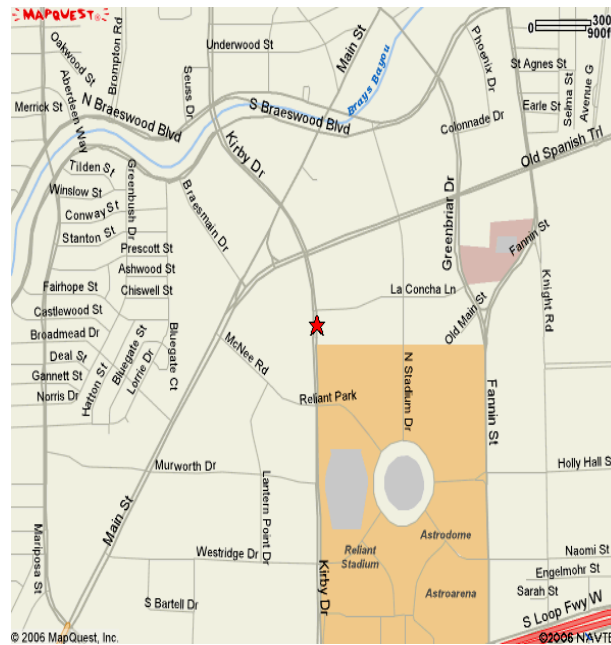

IBCLCs will receive 8.0 L Cerps for day 1 and 6.5 L Cerps and 1.8 E Cerps for day 2 from IBLCE.
