

**TEXAS MEDICAL CENTER DIGESTIVE DISEASES CENTER (DDC)
APPLICATION FOR MEMBERSHIP**

Membership in the Texas Medical Center Digestive Diseases Center (DDC) is solicited by the Internal Advisory Committee of the DDC. The DDC is funded by the National Institute of Digestive Diseases and Kidney and supports core areas reflecting GI research priorities. Membership in the DDC is open to all faculty at Baylor College of Medicine, the University of Texas, and their member institutions, with an interest in GI research. An associate-level membership is open to faculty without major grant funding, and to postdoctoral associates whose faculty mentor is a member of the DDC.

To request membership in the Texas Medical Center DDC, complete the following form. **Please return this completed form** to Mary K. Estes, Ph.D., Texas Gulf Coast Digestive Disease Center, Division of Molecular Virology, One Baylor Plaza, Room 923-E, Houston, TX 77030 (FAX: 713-798-3586), mestes@bcm.tmc.edu or Lenard M.
