**THE SECTION OF GASTROENTEROLOGY AND HEPATOLOGY** in the department of Medicine at Baylor College of Medicine (BCM) specializes in the prevention, screening, diagnosis, and treatment of digestive tract and liver diseases. Conveniently located within Baylor Clinic, our gastroenterology program is one of the few programs in the Texas Medical Center with the technical ability to offer a full range of advanced diagnostic and therapeutic procedures. Each of our highly trained nationally recognized gastroenterologists specializes in a particular area of interest. Our patients are promptly directed to the appropriate specialist for the best possible care. The best minds, the best medicine and the best patient experience—that's the gastroenterology team at Baylor Clinic.
