

**Subhashie Wijemanne**  
**Sarathkumara, M.B.B.S., M.D., M.R.C.P.** 

• **Instructor of Neurology**

**Clinical Service Area**

Neurology

**Specialty**

Parkinson's Disease  
Tremors  
Movement Disorders

**Board Certification**

American Board of Psychiatry and Neurology, Neurology

**Clinic Appointments**

713-798-7438

**Consult**

713-798-7438

**Medical School**

M.B.B.S., University of Peradeniya Faculty of Medicine, Peradeniya, Sri Lanka

**Internship**

Lahey Clinic Medical Center, Burlington, Mass.

**Residency**

Neurology, Tufts University, Boston, Mass.

**Clinical Fellowship**

Movement Disorders, Baylor College of Medicine, Houston, Texas

**Clinic Location**

Baylor Neurology  
Smith Tower  
6550 Fannin, Suite 1801  
Houston, Texas 77030

**Clinical Interests**

Movement disorders including Parkinson's disease and related neurodegenerative disorders, tremors, dystonia, Tourette syndrome, Huntington's disease and restless legs syndrome.
