

Neurology Grand Rounds

Sponsored by Baylor College of Medicine

Monday, March 26, 2012 Noon – 1:00 PM Neurosensory Center, Blue Bird Auditorium, NB-137

Migrane and the Presidency"

Randolph W. Evans, MD

Clinical Professor of Neurology Baylor College of Medicine

Objectives – At the conclusion of the session, the participants should be able to:

- name presidents who had migraines
- names first ladies who had migraines
- discuss migraine and the 25th amendment

Target Audience, Needs, Educational Methods, Activity Evaluation: Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.
