

Monday, March 4, 2013

Noon – 1:00 PM

Neurosensory Center, Blue Bird Auditorium, NB-137

## “Sports Concussion: Early, Recovery and Long Term Effects”

**Harvey S. Levin, Ph.D.**

Professor, of Physical Medicine and Rehabilitation

Baylor College of Medicine

**Objectives** – At the conclusion of the session, the participants should be able to:

- Definition, assessment and classification of sports concussion
- Typical recovery from an isolated sports concussion
- Subconcussive head impacts, repetitive concussion, and neurodegenerative conditions

**Target Audience, Needs, Educational Methods, Activity Evaluation:** Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders.

Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.

### **Accreditation/Credit Designation**

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*<sup>™</sup>. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
