Noon – 1:00 PM

Neurosensory Center, Blue Bird Auditorium, NB-137

## “Key Updates for the Neurologist: Geriatric Palliative Care”

**Laura J. Morrison, MD**

Associate Professor of Medicine and Geriatrics

Baylor College of Medicine

Supportive and Palliative Care Service

The Methodist Hospital

**Objectives** – At the conclusion of the session, the participants should be able to:

- Discuss clinical challenges in caring for older adults with serious neurological illness
- Review recent, relevant studies that add to our evidence base
- Identify key advances in the clinical approach to seriously ill geriatric patients

**Target Audience, Needs, Educational Methods, Activity Evaluation:** Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.

### **Accreditation/Credit Designation**

Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.

Baylor College of Medicine designates this live activity for a maximum of 1.0 *AMA PRA Category 1 Credit*™. Physicians should claim only the credit commensurate with the extent of their participation in the activity.
