Monday, June 25, 2007  
Noon to 1:00 PM  
Blue Bird Auditorium, NB-137  

Neurology Grand Rounds  
Sponsored by Baylor College of Medicine  

Neurostimulation in the treatment of epilepsy  

Ian Goldsmith, MD  
Assistant Professor  
Department of Neurology  
Baylor College of Medicine  

Objectives:  
At the conclusion of this lecture, participants should:  

- understand the current state of neurostimulation in the treatment of epilepsy  
- recognize the two types of stimulation paradigms  
- know what options are currently available at BCM  

Target Audience, Needs, Educational Methods, Activity Evaluation:  
Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.  

Accreditation/Credit Designation  
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.  

Baylor College of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
