Neurology Grand Rounds
Sponsored by Baylor College of Medicine

Friday, December 7, 2007
8:00 to 9:00 AM
Onstead Auditorium

Brain biopsy

J. Clay Goodman, M.D. FAAN
Assistant Dean for Medical Education
Walter Henrick Moursund Chair in Pathology
Professor of Pathology (Neuropathology) and Neurology
Baylor College of Medicine

Objectives:
At the end of this program, participants should:

- Understand the indications for brain biopsy in multifocal and diffuse disorders of the central nervous system.
- Know about the surgical techniques, risks and complications of brain biopsy.
- Understand the logistics and technical handling of brain biopsies that will optimize diagnostic yield.
- Understand the types of disorders that can be diagnosed by brain biopsy and the likely yield of this procedure.

Target Audience, Needs, Educational Methods, Activity Evaluation:
Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians.
Baylor College of Medicine designates this educational activity for a maximum of 1.0 AMA PRA Category 1 Credit(s)™. Physicians should only claim credit commensurate with the extent of their participation in the activity.
