Objectives:
At the end of this presentation, participants should:
- know what the treatment options are for brain AVMs;
- understand the natural history of unruptured brain AVMs;
- understand the cellular and molecular factors associated with brain AVMs;
- be aware of recent clinical trials involving brain AVMs

Target Audience, Needs, Educational Methods, Activity Evaluation:
Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.
