Neurology at the Michael E. DeBakey VAMC: A history with comments on implications for nationalized health care

Thomas A. Kent, MD
Neurology Care Line Executive and Stroke Program Director
Michael E. DeBakey VA Medical Center
Professor of Neurology
Baylor College of Medicine

Objectives:
At the end of this presentation, participants should be able to:
• Understand the transformation history of the VA
• Understand the use of outcome analysis to develop clinical programs
• Understand the scope of the Neurology Care Line at the Michael E. DeBakey VAMC

References:

Target Audience, Needs, Educational Methods, Activity Evaluation:
Physicians, residents, fellows, and other healthcare professionals need to be updated about new advances in the clinical and research areas for the diagnosis, treatment, and management of patients with neurological disorders. Educational methods will include lectures, case presentations, audio/video presentations, and questions & answer sessions. Participants will be asked to complete an activity evaluation.

Accreditation/Credit Designation
Baylor College of Medicine is accredited by the Accreditation Council for Continuing Medical Education to provide continuing medical education for physicians. Physicians should only claim credit commensurate with the extent of their participation in the activity.
