RE: Discontinuation Memorandum

Effective September 12, 2014, the Medical Genetics Laboratories at Baylor College of Medicine will discontinue Test Codes:

- **Test Code: 3788 - LDHA Deletion/Duplication Analysis**
- **Test Code: 3789 - LDHA Comprehensive Sequence and Deletion/Duplication Analysis**

Please direct any billing questions to 713-798-3566 or email us at medgenbilling@bcm.edu. Please visit our website for any additional notices or postings.

Thank you for your valued business. We look forward to providing you with the highest quality genetic testing services.

Sincerely,

Sean Y. Kim
General Manager
Medical Genetics Laboratories
Baylor College of Medicine
