RE: Discontinuation Memorandum

Effective March 18, 2015, the Medical Genetics Laboratories at Baylor College of Medicine will discontinue the following tests:

- **Test Code: 2335 – FBN1 Sequence Analysis**
- **Test Code: 2350 – RPGRIP1 Sequence Analysis**
- **Test Code: 2365 – GPR98 Sequence Analysis**
- **Test Code: 2370 – PCDH15 Sequence Analysis**
- **Test Code: 2435 – GUCY2D Sequence Analysis**
- **Test Code: 2610 – CLCN7 Sequence Analysis**
- **Test Code: 2635 – COL1A2 Sequence Analysis**
- **Test Code: 2750 – COL3A1 Sequence Analysis**
- **Test Code: 3240 – LRPPRC Sequence Analysis**
- **Test Code: 3465 – OPA1 Sequence Analysis**
- **Test Code: 3670 – AGL Sequence Analysis**
- **Test Code: 3975 – PHKB Sequence Analysis**
- **Test Code: 3985 – PHKA1 Sequence Analysis**
- **Test Code: 3990 – PHKA2 Sequence Analysis**

The above tests will be replaced by the following Next Generation Sequencing based tests:

- **Test Code: 32335 – FBN1 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32350 – RPGRIP1 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32365 – GPR98 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32370 – PCDH15 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32435 – GUCY2D Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32610 – CLCN7 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32635 – COL1A2 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 32750 – COL3A1 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33240 – LRPPRC Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33465 – OPA1 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33670 – AGL Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33975 – PHKB Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33985 – PHKA1 Gene Sequencing by Massively Parallel Sequencing**
- **Test Code: 33990 – PHKA2 Gene Sequencing by Massively Parallel Sequencing**

Please direct any billing questions to 713-798-3566 or email us at medgenbilling@bcm.edu. Please visit our website for any additional notices or postings.

Thank you for your valued business. We look forward to providing you with the highest quality genetic testing services.

Sincerely,

Sean Y. Kim
General Manager
Medical Genetics Laboratories
Baylor College of Medicine
