RE: Test Discontinuation Memorandum

Effective immediately, Baylor Miraca Genetics Laboratories will discontinue the following test:

- **Test code 9610 – Cancer Exome Sequencing**

The following test codes may be considered as alternative ordering options:

- **Test code 9705 – Cancer Gene Mutation Panel Version 2 (50 genes, solid-tumor focused)**
- **Test code 9715 – Leukemia Mutation Panel (48 genes, hematologic-malignancy focused)**

Please direct any billing questions to 713-798-3566 or email us at medgenbilling@bcm.edu. Please visit our website for any additional notices or postings.

Thank you for your valued business. We look forward to providing you with the highest quality genetic testing services.

Sincerely,

Vito Oliveri
Director of Operations
Baylor Miraca Genetics Laboratories
