

**Date: July 29, 2015**  
**To: Valued Clients**  
**From: Baylor Miraca Genetics Laboratories**  
**RE: Test Discontinuation Memorandum**

Effective August 3, 2015, Baylor Miraca Genetics Laboratories (BMGL) will begin performing BRCA1 & BRCA2 sequencing analysis as an in-house test. As a result, BMGL will discontinue use of the following test code:

- **Test code 1220 – BRCA1/2 Sequence & Deletion/Duplication Analysis**

For all new orders, please use the following test code, which will replace test code 1220:

- **Test code 22350 – BRCA1 & BRCA2 Comprehensive Panel - NGS**

Please direct any billing questions to 713-798-3566 or email us at [medgenbilling@bcm.edu](mailto:medgenbilling@bcm.edu). Please visit our website for any additional notices or postings.

*Thank you for your valued business. We look forward to providing you with the highest quality genetic testing services.*

Sincerely,

Vito Oliveri  
Director of Operations  
Baylor Miraca Genetics Laboratories
