INSTRUCTIONS FOR RECIPIENTS OF BAYLOR COLLEGE OF MEDICINE MATERIAL

Baylor College of Medicine Material Transfer Agreement for Biological Material For Academic and Non-Profit Entities (including Governmental Agencies)

Please read these instructions carefully and verify that all requested information and signatures have been obtained. Improper signatures or incomplete information will delay your request.

1. Read this entire form and provide the necessary information where requested on all pages of the form.
2. Have this form signed and dated by the Recipient Scientist. Please note that this must be someone of Principal Investigator status (i.e., not a student or post-doc) who will be responsible for ensuring that the material is used according to the terms of this agreement.
3. Have this form signed and dated on behalf of the Recipient Scientist's Institution. Please note that this must be done by someone with signatory authority, usually by officials in the Institution's Technology Transfer Office or Office of Sponsored Research.
4. Email or fax one signed document to the Provider Scientist to complete the signature process. If your institution requires original hard copies, please mail 2 signed originals to the Provider Scientist. Provider Scientist will email or fax the signed agreement to Baylor College of Medicine – Office of Research.
