

PROTOCOL REVIEW AND MONITORING COMMITTEE (PRMC)

Executive Committee

Protocols must first be submitted to the appropriate PRMC Working Group (Adult, Pediatric, or Cell and Gene Therapy), via the PRMC Module within BRAIN.

Once a protocol has completed review by the working group, it will be reviewed at the next scheduled PRMC Executive Committee meeting for full PRMC approval.

For further information, please contact us at prmc-dldcc@bcm.edu, or visit:
