INFORMATION #3

DATE: May 8, 2020
TO: Class of 2024
FROM: John Rapp
Senior Director, Student Affairs

This is the last **scheduled** communication you will receive from our office before the beginning of **Orientation on Friday, July 24**. **Be sure you occasionally access the web site to check for special announcements and required information (some of which will have very important deadlines).**

REMINDERS: You must complete the **Official Preliminary Registration Form** prior to Monday, June 5. **Your complete immunization record must also be received by OHP no later than May 22** (unless you are a late acceptance).

NOTE:

Please request that all transcripts indicating undergraduate/graduate degrees conferred be sent to:

Office of the Registrar
Attn: Records Processing/Final Transcripts
Baylor College of Medicine
One Baylor Plaza - BCM365
DeBakey Bldg. M210
Houston, Texas 77030

If you are currently enrolled (completing degree requirements), wait until your transcript is finalized (degree posted) before you have it sent to Baylor.

Even though you may have completed your formal education and sent a final transcript to the AAMC during the admissions process, Baylor requires an official transcript to be on file in your academic record.

You do not have to send a transcript from a college/university, if you were not conferred a degree from it.

Contact us should you have any questions. We look forward to meeting you on July 24, if not before.
