## COPING CARD

# *To care for others, we must also take care of ourselves.*

Check in on the basics

When was the last time I:

- Ate?
- Drank water?
- Slept?
- Exercised?

### <u>Take 1 minute</u>

Close your eyes or keep them open with a soft gaze. Thinking of a calming place, what do you see, hear and smell? Who is there with you? Take yourself to this place when you need a moment of calm.

### Coping Statements

1. I am trained to take care of others. I am doing the best I can.

2. This too will pass.

Add 2 of your own

### <u>Activities for a 30-second</u> break to calm:

- Put cold water or an ice pack on your face.
- Slow breathing down by breathing in for 4 seconds and out for 6 seconds.
- Notice 3 things of the same color in the room.
- Send a text to someone you care about.

If you find that you cannot do anything else, remember to take one deep breath — in through your nose and out through your mouth.

All WBI scores are anonymous and respondent answers cannot be traced back to you. Questions about the Well-Being Index? Email: well-beingteam@bcm.edu How are you doing this week? BCM is offering an online self-assessment called the Well-Being Index (WBI) and <u>other mental health resources</u>.
