

WEEKLY GI RESEARCH WEBINAR

"Gastric Intestinal Metaplasia: The Key to Gastric Cancer Prevention?"

Mimi Tan, M.D., M.P.H.

Assistant Professor

Section of Gastroenterology

Baylor College of Medicine

The objectives of this presentation will be: 1) to evaluate demographic, clinical, and dietary risk factors for gastric intestinal metaplasia; 2) to discuss the role of gastric intestinal metaplasia in gastric cancer prevention; and 3) to review a U.S.-based gastric cancer screening model based on risk-stratification of gastric intestinal metaplasia.
