

# BIOETHICS GRAND ROUNDS

## One Patient, Two Minds: Clearing up Confusion about “Ambivalence”

**Bryanna Moore, PhD**

Assistant Professor  
The University of Texas Medical  
Branch

### Objectives

At the conclusion of this activity, the participant should be able to:

- Describe the different ambivalence-related mental states that patients might experience.
- Identify some of the normative considerations associated with caring for “ambivalent” patients.
- Apply some of the strategies for responding to ambivalence-related mental states that we identify.

**Ryan Nelson, PhD**

Clinical Ethics Fellow  
Baylor College of Medicine
