

# COPING CARD

## Check in on the basics

When was the last time I:

- Ate?
- Drank water?
- Slept?
- Exercised?

## Coping Statements

1. I am trained to take care of others. I am doing the best I can.
2. This too will pass.

Add 2 of your own

*To care for others,  
we must also take  
care of ourselves.*

## Take 1 minute

Close your eyes or keep them open with a soft gaze. Thinking of a calming place, what do you see, hear and smell? Who is there with you? Take yourself to this place when you need a moment of calm.

## Activities for a 30-second break to calm:

- Put cold water or an ice pack on your face.
- Slow breathing down by breathing in for 4 seconds and out for 6 seconds.
- Notice 3 things of the same color in the room.
- Send a text to someone you care about.
