

Application form for The Joint Space Medicine Association – Space Surgery Association: Lee- Jones Space Physician and Surgeon Award

The Joint SMA-SSA: Lee- Jones Space Physician and Surgeon Award will be presented to a surgical resident or fellow physician in training who is interested in becoming involved in the field of Aerospace Medicine. The individual will submit an application to the SMA-SSA Award Committee, which will propose a project to foster collaboration between the SMA and SSA in enhancing the practice of aerospace medicine. The Joint SMA-SSA Award Committee members will select the recipient. The Joint SMA-SSA: Lee- Jones Space Physician-Surgeon Award will be presented at the Annual Meeting of the Space Medicine Association, and the recipient will be awarded \$1000.00 to be utilized to pay for membership in AsMA, SMA, SSA, AMSRO, to attend the AsMA meeting and SMA luncheon, when the award is rendered and to conduct the project during the year of receipt, which includes a project report by the next AsMA meeting.

Submit the application by mail, email, or fax by March 1 to:
