The census reporting date for Baylor College of Medicine is Sept. 1. Enrollment figures (full-time degree seeking students only - Doctor of Medicine, Doctor of Philosophy, Doctor of Nursing Practice and Master of Science) for the academic year are established from the student information available on this date. Enrollment for Temple campus is included starting from AY 2023-2024. The enrollment status of each student continues to be monitored throughout the year and the figures will vary accordingly, however for reporting purposes the statistical numbers established on the census date will continue to be the published information regarding enrollment in BCM for the academic year.
