The Evidence-based Medicine module is a new addition to Pedi 101. We are asking your help in making it as successful a module as possible by providing some feedback. The evaluations are being compiled to maintain your anonymity.

Please answer the following questions using a scale from 1-10 with 1 being least likely/the least and 10 being most likely/the most:

Part 1 (Week 1, Module 1 and 2):

1. Was the self-guided website effective at explaining PICO questions?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

2. Was the self-guided website effective at explaining how to conduct a search query?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

3. Was the self-guided website effective at explaining Likelihood ratios?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

4. Was the Power point presentation effective at explaining pre- and post-test probabilities?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

5. Was the Power point presentation effective at explaining Likelihood ratios?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

6. Was the faculty presenter effective at explaining how to conduct a search query?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

7. Was the faculty presenter effective at explaining Likelihood ratios?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)

8. Was the faculty presenter effective at explaining pre- and post-test probabilities?
   1….2….3….4….5….6….7….8….9….10 (circle the most appropriate number)
Part 2 (Week 2, Module 2 and 3):

9. Was the self-guided website effective at explaining how to evaluate a therapy article?
   1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

10. Was the self-guided website effective at explaining risk reduction and number needed to treat?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

11. Was the Power point presentation effective at explaining risk reduction and number needed to treat?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

12. Was the faculty presenter effective at explaining how to evaluate a therapy article?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

13. Was the faculty presenter effective at explaining risk reduction and number needed to treat?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

OVERALL:
14. Was the EBM module taught in a way that you could easily understand the key concepts?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

15. Will you incorporate these concepts into your practice of medicine?
    1.....2.....3.....4.....5.....6.....7.....8.....9.....10 (circle the most appropriate number)

Is there any advice or recommendation you could offer us for making the modules better?
